

The Santa Clara County Historical and Genealogical Society presents

What Is Family?

By Gene Stowe

Tuesday, March 19, 2024
6:30-8:30 pm PDT on Zoom

This is the story of antebellum white sisters who bequeathed their 800-acre homeplace to a Black man and his daughter in 1920, which caused a sensational trial.

Author Gene Stowe will address not only genetic but also adoptive families and other relationships that are recognized by the surrounding society, which unexpectedly moved two white juries to uphold Miss Maggie's will.

Our meetings are free and open to the public.
