By Donna West

6:30-8:30 pm PDT on Zoom

Santa Clara, California is one of the ten oldest incorporated cities of the Bay Area with a history that predates California statehood and includes indigenous people. Yet the most common question people ask today is "Where is downtown Santa Clara?"

Local forty-year resident, guide, and heritage researcher Donna West walks the virtual path of Franklin Street, showing us hidden treasures, as the people and ghosts of Santa Clara, past and present, come alive.
